Notes:

1. "Guide service" refers to personnel who accompany our original tours and provide guidance as needed. In principle, they accompany participants only during the scheduled tour itinerary, from the designated meeting point to the designated end point.
Guides do not ride with guests during transfers; instead, they will meet guests at the designated sites.
2. Guide fees vary depending on the guide’s rank, which is assessed based on experience and hospitality skills. There are three ranks:

(1) Master Guide
Highly experienced and knowledgeable in guiding visitors around Ise Jingu and the surrounding area. They are skilled in customer care and are recommended for guests who require particularly attentive service.

(2) Expert Guide
Experienced and knowledgeable about Ise Jingu and its surroundings. Capable of handling guest needs with care. Suitable for visitors who have been to Ise Jingu before or wish to explore deeper insights.

(3) Associate Guide
Entry-level guides with limited experience. They are provided with pre-prepared scripts and information to ensure they can still offer a quality experience. All have participated in our internal training programs and are working to improve their skills.
3. "Tour escort service" refers to dispatching a certified tour conductor who ensures the itinerary is carried out smoothly and efficiently. Escorts accompany guests throughout the tour, including meeting them at designated locations and riding with them on public transportation or taxis.
They do not accompany guests who drive themselves. If the tour includes overnight stays, the escort will also stay at the same or nearby accommodations. In such cases, the escort’s accommodation cost will be borne by the customer.
This service is optional and is charged in addition to the guide service fees.

4. We can arrange guides who speak foreign languages such as English, Chinese, and French.
Please note that an additional fee will be charged when requesting a foreign-language guide:
¥5,500 for 2 to 4 hours, and ¥11,000 for 5 to 7 hours.
5. Our guides are here to help make your experience in Ise-Shima truly enjoyable. During your time together, feel free to ask for recommendations on restaurants, souvenirs, and more. They will assist as much as possible.
If you would like help with reservations or transportation arrangements, please consult your guide. Additional handling fees will apply (see the "Arranged Travel Service Fees" section for details).
6. One guide can assist 1 to 5 guests. For groups of 6 or more, additional guides will be required.
7. If the guide's total service time extend to between 4 and 5 hours, or beyond 7 hours, an additional fee of ¥2,200 per hour will apply.
